WHAT YOU NEED

- 1 large sweet potato
- 4 tbsp. nut butter of choice
- 1 ½ cups (285g) chopped berries of choice
- 1 tsp. of honey for drizzle (optional)

WHAT YOU NEED TO DO

Cut the sweet potato into 4 slices, roughly 5cm thick. Use a large kitchen knife to do this, you want each slice of sweet potato for “bread slices”.

Place the sliced potatoes into the toaster and cook on the longest setting. This will take approximately 6 minutes. The sweet potato is done when the edges are golden brown and the middle still has a bit of crunch.

While the sweet potatoes are cooking, cut up the berries, strawberries, blueberries, blackberries, or raspberries are a great choice.

Once the sweet potatoes have cooked, spread each slice with 1 tablespoon of nut butter and topped with berries. Add a little drizzle of honey and serve immediately.

WHAT YOU NEED

- 2 cups (60g) spinach packed
- 2 slices of whole grain bread
- 4 sundried tomatoes rehydrated
- 2 eggs
- 3 tsp. pesto
- salt and pepper

WHAT YOU NEED TO DO

Rehydrate sun-dried tomatoes by covering them with hot water and letting them stand on the counter for 5 minutes.

Add the spinach and 1 teaspoon of water to a small saucepan and cover with a lid. Allow the spinach to steam on medium-low heat for 3 minutes. Stir and once the spinach has wilted, remove from heat.

While the spinach is cooking, spray a frying pan with a little oil. Place the pan over a medium heat. Crack the two eggs into the pan and lightly season with salt and pepper. For a running yolk, cook the eggs for 2-3 minutes and for a firm set yolk flip the egg and cook for another minute.

Meanwhile, toast the bread in the toaster.

To assemble, chop the sundried tomatoes and spinach. Spread 1 ½ teaspoon of pesto on each slice of toast, top with the wilted spinach and sundried tomatoes and lastly place an egg on each.

Tip: *To reduce carbs further, replace the bread with sliced pieces of sweet potatoes and toast them in the toaster.*

WHAT YOU NEED

- ½ cup (125g) sweet potato puree or can sub with pumpkin puree
- 2 eggs
- 1 cup (240ml) milk
- 1 tbsp. maple syrup
- 1 cup + 3 tbsp. (250g) whole wheat flour

- ¼ tsp. ground ginger
- ½ tsp. ground cinnamon
- ¼ tsp. ground allspice
- 1 tsp. baking soda
- ½ tsp. baking powder
- ⅛ tsp. salt
- 1 tsp. maple syrup

WHAT YOU NEED TO DO

Whisk the sweet potato puree, eggs, milk, and maple syrup in a large bowl.

In a separate bowl, mix the dry ingredients together (whole wheat flour, spices, baking soda, baking powder and salt).

Place a non-stick frying pan over a medium-low heat and spray the pan with a little oil.

Mix the dry and wet ingredients together to form a smooth batter.

Pour the pancake batter into the frying pan, allowing approximately under ¼ cup of batter per pancake. Cook the pancake until bubbles start to form on the top then flip the pancake over and cook for a further minute on the second side.

- 4 cups (170g) mixed greens
- ½ cup (250g) canned sweetcorn
- ½ diced red onion, chopped
- ½ cup (75g) baby tomatoes, chopped

- ¼ tsp. powdered onion powder
- ¼ tsp. dried thyme
- ¼ tsp. ground allspice
- ⅛ tsp. salt and pepper

Dressing:

- 2 tbsp. freshly squeezed lime juice
- 2 tsp. honey or agave
- 1 garlic clove, crushed

Mix the chicken rub spices together in a small bowl. Rub on both sides of the chicken breasts with a spoon or with your hands.

- ½ lemon juiced
- ½ cup (60g) panko crumbs
- 1 egg

Burger Toppings:

- 8 pieces of green leaf lettuce
- 1 large tomato
- 1 small red onion

Yogurt Dill Sauce:

- 1 cup (245g) plain full fat Greek yogurt
- 2 tbsp. fresh dill, chopped
- ½ lemon juiced
- 2 cloves of garlic, crushed
- ½ tsp. onion powder
- pinch of cayenne pepper (optional)
- pinch of salt and pepper

Sweet Potato Fries:

- 4 medium sweet potatoes
- 1 tbsp. olive oil
- ½ tsp. garlic powder
- ¼ tsp. salt
- ⅛ tsp. pepper

WHAT YOU NEED TO DO

Preheat the oven to 400°F (200°C).

Season the salmon fillets with a little salt and pepper and place onto a baking tray with parchment paper.

Peel and cut the sweet potatoes into fries, try to make them of equal size to ensure an even bake. Place the sweet potatoes onto a baking sheet lined with parchment paper. Drizzle with oil and sprinkle with salt, pepper and garlic powder.

Place the salmon on the top rack of the oven and the sweet potato fries on the middle rack and bake for 15 minutes.

While the salmon is cooking, slice the tomato and half a red onion for the burger toppings. Also rinse 8 lettuce leaves. Set aside on a serving tray.

Place a non-stick frying pan over a medium heat and sauté the onions, red bell pepper and garlic for 3 minutes. Then transfer to a large mixing bowl.

Add the egg, panko crumbs, dill, lemon, salt and pepper to the bowl and mix.

Remove salmon from the oven and set it aside to cool for 5 minutes.

Stir the sweet potato fries and pop the tray back into the oven to cook for another 5-10 minutes after this time turn off the oven to keep them warm.

While the salmon is cooling, make the sauce by adding yogurt, dill, lemon juice, onion powder, and spices to a bowl and mixing well to combine.

Once the salmon has cooled, remove the skin and flake the salmon into smaller pieces. Add the flaked salmon to a bowl along with the panko breadcrumbs, egg, and onion mixture. Mix well to combine, breaking up any clumps. Form this mixture into 4 salmon patties. Ensure to press them firmly or they will split.

Quickly rinse the pan used to cook the onion mixture. Spray lightly with oil and then place the patties in the pan and cook on each side for approximately 4 minutes, or until golden brown.

To assemble, place a piece of green lettuce on the plate. Top with salmon burger patty, sauce, tomato and then the onion. Top with another piece of lettuce. Using a knife and fork is the easiest way to eat these burgers.

Tip: Want to save time? Omit the dill sauce and replace with store-bought tzatziki instead.

Substitution: Omit the lettuce leaves and replace with a regular burger bun instead.

Allergy: For a gluten-free diet use Gluten Free Panko crumbs.

WHAT YOU NEED

- 4 small fresh or thawed out frozen fillets (Basa or fish of choice)
- 1 cup (120g) panko bread crumbs
- 3 tsp. paprika
- ½ tsp. cayenne pepper
- ¾ tsp. garlic powder
- ½ tsp. onion powder
- ¼ tsp. salt
- ⅛ tsp. pepper
- 2 eggs
- 16 small soft taco shells (either wheat or corn)

Slaw:

- 3 cups (210g) shredded cabbage
- 1 tsp, apple cider vinegar
- pinch salt and pepper

Chipotle Yogurt Sauce:

- ½ cup (120g) Greek yogurt
- 1 tsp. paprika
- 1 tsp. chili powder
- 2 tbsp. lime juice
- 1 tsp. honey

WHAT YOU NEED TO DO

Preheat the oven to 400°F (200°C) and line a baking sheet with parchment paper.

Mix the panko breadcrumbs, and spices together in a shallow baking dish.

Place the egg into a separate shallow dish and beat well.

Now take the fillets of fish and place them one at a time, first into the egg wash and then into the panko mixture. Cover the fish in the breadcrumbs.

Once all fish have been coated in the panko, place them in a preheated non-stick pan that has been sprayed with oil.

Place 2 fish fillets at a time into the pan and sear each side for 1 minute and remove from the pan. Re-spray the pan with oil and repeat for the next 2 fillets. Place the seared fish onto a baking sheet and place in the the oven for 8 minutes.

While the fish is cooking, shred the cabbage (use green or purple cabbage, or a combination of both). For ease, use a food processor with appropriate cutting blade, alternatively thinly slice with a knife. Place the cabbage into a bowl and add in 1 teaspoon of apple cider vinegar and a small pinch of salt and pepper. Mix well and set aside.

With 3 minutes left on the cooking time for the fish, wrap the soft taco shells in foil and place in the oven to warm up.

To make the yogurt dip, place the yogurt into a small bowl and add in the lime juice, chili powder, honey, paprika and mix well.

The fish is cooked when it is flaky but not dry on the inside, the internal temperature should be 145°F (63°C).

To assemble the tacos take a taco shell and fill with a few small pieces of fish, top with cabbage slaw, and chipotle sauce.

Tip: Other topping options are sour cream, salsa, guacamole, and feta cheese.

- ⅛ tsp. pepper
- 2x 14 oz. (400g) canned chopped tomatoes
- 5 oz. (156ml) canned tomato paste
- ½ cup (95g) red split lentils
- ½ cup (120ml) vegetable stock or water
- ½ tbsp. sugar or maple syrup
- 10 cups zucchini noodles
- ¼ cup (12g) chopped parsley
- ¼ cup (12g) chopped basil

WHAT YOU NEED TO DO

Spiralise the zucchini into noodles using a spiraliser. Alternatively buy store-bought zucchini noodles. Place the noodles into a large bowl, sprinkle with ¼ teaspoon of salt, mix well and set aside to sit.

Place a saucepan over a medium-high heat, add the oil and sauté the onions for 3 minutes, stirring often. Add the garlic, salt and pepper and spices and stir well for a further minute.

Add the crushed tomatoes, red split lentils, vegetable stock or water, and sugar or maple syrup and mix well. Bring to a boil and then reduce heat to a simmer. Cover the pan with a lid and simmer for 15 minutes.

Remove the lid from the pan and add in the can of tomato paste and the fresh parsley and basil. Cook for another 5 minutes uncovered.

Take the zucchini noodles and place some of them into the middle of a tea towel. Fold the sides up and grab, slowly twist the tea towel to wring out the excess water into the sink. Do this for all the zucchini noodles and then place into a large frying pan. Cook on high for 3-5 minutes, depending on the thickness of the noodles.

Once the zucchini noodles are cooked place them into a large bowl and top with sauce. Sprinkle with more fresh herbs and a little parmesan cheese.

Tip: Replace the zucchini noodles with 320 grams of pasta.
